Your Trusted **ONE-STOP** Hardware Provider

GET THE WINNING EDGE

For over a decade, **Aik Lee** has been helping companies to overcome the challenges of increased competition, customer demands and escalating costs.

Since its inception in 1992, **Aik Lee Industries Supply Pte Ltd** has delivered impeccable services, winning the confidence of clients with its commitment to quality, reliability, on-time delivery and competitive pricing. As the company experienced rapid expansion and steady growth, we constantly strive to keep abreast of the latest technology to deliver quality marine, industrial and construction hardware to our valued clients.

Aik Lee's established global sourcing network delivers high quality products from Japan, Germany, USA, UK, Korea and China to a growing satisfied client base here and overseas. Our intelligent sourcing strategies on the Asian continent have allowed us to offer our clients a distinct competitive advantage that puts them way ahead of competitors.

EXPECT SPEED AND GREAT RESULTS

Aik Lee aims to deliver the very best of solutions to customers with its one-stop service concept.

With an unbeatable range and quantity of hardware at our sprawling 70,000 square feet warehouse, managed by a state-of-the-art inventory control system, **Aik Lee** is able to provide our clients with real time information on stock availability and delivery status. As a progressive company, we adopt this advanced server-based software that tracks inventory, generates quotations, sales orders, delivery orders and invoices to benefit clients and improve our efficiency.

Thriving on swift execution, **Aik Lee** can meet on-demand orders and provide excellent logistics support via its large fleet of transportation.

From logistics to customer service, the objective of all our staff is clear – to provide clients with an unparalleled one-stop service experience through fast and accurate delivery. Driven by a dedicated focus on customer service, prompt and efficient delivery, our marketing strategies and extensive stock range ensure that we meet the increasing demands of our valued clients.
