# Premium Quality At Unbeatable Value

Aik Lee's established global sourcing network delivers high quality products from Japan, Germany, USA, UK, Korea and China to a growing satisfied client base here and overseas. Our intelligent sourcing strategies give our clients a distinct competitive advantage that puts them ahead of competitors.

## *One-stop Service Concept*

- Sprawling 70,000 square feet warehouse
- State-of-the-art inventory control system
- Swift execution of orders
- Excellent logistics support
- Prompt and efficient delivery

## Why purchase from Aik Lee

### **Convenient**

As the market leader in the import and export of marine, industrial and construction hardware, we have established a wide global sourcing network. We can source for almost anything that you need.

### **Cost Effective**

Our priority is total cost efficiency - by ensuring that there are no delays in production or delivery. This translates to cost competitiveness - when we save, you save too.

### **Product Availability**

We have a wide range of quality products from Japan, Germany, USA, UK, Korea, and China to readily meet your demands.

### **Improved Services and Support**

We constant strive to improve our service and logistics team to cater to your orders and provide service excellence every time.
